

Ship Repair and Maintenance

“Anytime, Anywhere”

Dear Sir/Madam;

“Anytime, Anywhere”

Degem Ship Repair and Maintenance is one of the most experienced company established for ship repair and maintenance business in Turkey.

Company has taken this role onboard more than 500 varying tonnages and types of vessels over 25 years. Our aim is the appreciation and satisfaction of our customers.

To achieve this, we guarantee to provide the best service with the convenient price and complete the job with timely manner.

Degem will continue to provide World-class services without any high environmental protection standarts and quality policy practises.

Degem has registered this policy with ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, ISO 10002.

Since 2000, we have worked with important companies maintenance and repair Works projects in offshore industry as Shell, Rowan Companies, Caspian Drilling, SIEM, Bourbon, Turkish Petroleum, TP-OTC, Global Offshore Engineering, Aroona Drilling. These works mainly include inspection-installation services, Piping, Access solutions, surface preparation and coating services, mechanical and hydraulic services, confine space and Cargo holds cleaning services, material supply, docking and berth services and manufacture of offshore skids and structures.

Degem is certified with require qualification certificates to provide its services with the highest standarts.

Mainly qualificate certificates are ; BOSIET, Class Certified Welding Procedure Specifications (DNV-RINA), Class Certified Welders (DNV-RINA), Qualificate certified surface prep. and painters, Class Certified Scaffolders, Class Certified Field Inspectors, certified NDT Inspectors, offshore medical certificates and other related certifications with offshore/onshore repair and maintenance industry.

We would like to be involved in your future projects. We are ready to utilize our experience and knowledge together. We hope to receive positive feedback from you and start working as soon as possible.

With Regards;

İbrahim DENİZ
General Manager

“I would like to express my gratitude to all our customers who have preferred us and conveyed their satisfaction during all these years.”
